

O.Pa Dance – the Celeb Rockn Roll

Olivia leads with a twirl a laugh full of cheer
Panos slides in cool like he ain't got no fear
Shake your hips with happiness move your feet with glee
Tonight's the night we lose control dance till we're free

Feel that rhythm pounding heartbeats sync to the beat
Energy so electric knocks you right off your feet
Laugh till you're breathless humor fills the air
Can't stop the groove can't help but care

Dance move shake and roll
Let the music take your soul
With Olivia and Panos in control
This rhythm rocks makes us whole

Every step a story every spin a flash
In this whirlwind of motion crash with a bash
Lose yourself in the energy drown in the vibe
All worries fade in the rock'n'roll tribe

Hip-shaking happiness humors in the swing
Feel the joy feel the life let your spirits sing
Olivia and Panos guide you on the spree
Busting moves breaking chains wild and free

Dance move shake and roll
Let the music take your soul
With Olivia and Panos in control
This rhythm rocks makes us whole
