

O.Pa Dance – the Celeb Waltz

Olivia and Panos on the floor
Gliding like never before
Posture perfect oh so tall
Expression whispers in the hall

Every step so full of grace
Twinkle in their eyes and face
Music steers their fancy feet
In rhythm where two hearts meet

Feel the beat feel it high
Turn and spin never die
Together they dance as one
Underneath the setting sun

Hold your partner close and tight
Let emotions take the flight
Every sway a
brand new start
Feel the pulse within your heart

Steps that tell a story here
In the ballroom it's so clear
Elegance is what they show
As they move and gently glow

Teach us all how love can be
In each dance space wild and free
Olivia and Panos glide
Show us how we all can fly
