In a world of Rhythm, where the Music flows,
Olivia and Panos, dancing with their Souls.
They step on the Dance Floor, with Hearts so light,
Learning the moves, with all their might.

You find the joy, in each step you take,
Embracing the groove, your spirits awake.
With confidence and grace, you dance with pride,
Expressing yourselves, as you twirl and glide.

Learning, growing, shining so bright.

Moving to the beat, overcoming strife.
